Ball Weight Package: A B C

People I'd like to bowl with:

The Hammer 2 Ball Challenge League will bowl on Thursday at 7pm at Bel-Air Bowl.

The league will have a scheduled starting date of May 7th, 2026 and scheduled ending date of August 13th, 2026 and will participate for a total of 15 weeks.

10 minutes of practice will begin at 7pm. No early practice allowed.

This league is an adult open singles league. Bowlers will complete 3 games each week. Substitutes or pacers will not be permitted to participate in the league.

Fees:

Weekly Dues: League fees, which must be paid by each member each session, shall be \$35 of which \$23.50 cover the cost of bowling, \$ 0.50 is for the secretary salary, and the balance of \$11 to be placed in the league account.

Sanction Fees: This league is a USBC sanctioned league. Members of the league shall have an active 2025-2026 Tri-County membership card. Adult membership fees must be paid before completion of the bowler's first series. If no prior adult membership card, a card may be purchased for \$22 on the first night of bowling. If sanctioned outside of Tri-County/IL a local/state membership card can be purchased for \$7, local association only for \$5.

Standings/Handicap/Points Awarded:

Standings shall be determined on a point basis with 1 point for each person you beat each game and series. Handicap scores determine ranking. Maximum points will be determined by how many bowlers are in the league.

Handicap for each scheduled match shall be 90% of the difference of each average from 240. Maximum handicap is 75 pins per game. Handicap for the first night shall be calculated off of the average of all games bowled. If the bowler has a 2025-2026 of 21 games or more, handicap is capped at 15 pins less than the average after 12 games. Max score with handicap is a 300 game and 900 series.

A prize list will be presented to full membership within 5 weeks after the start of the schedule.

Pre-bowl/Post-Bowl:

A bowler may pre-bowl a maximum number of 4 times.

Bowlers who are finishing a fall league are eligible to pre-bowl for those weeks and have it not count against the maximum number.

Bowlers needing to pre-bowl due to fall leagues must inform the Secretary by the 1st night of bowling.

No post-bowling will be allowed after the first 2 weeks.

Equipment:

League members may choose 1 (one) of the three package offers

Package A: Hammer Black Widow Dynasty 3.0 and Ebonite Game Breaker 5 Hybrid, Package B: Hammer Zero Mercy Solid and Brunswick Crown Victory Pearl, or Package C: Brunswick Alert and Hammer Full Effect.

While multiple balls are available for this league, bowlers must use only the two balls issued with their package during this league for their 1st ball and can use any ball for their spares with the exception of leaving all 10 pins on the first delivery.

Two Ball Agreement:

Each participant will be asked to sign this document stating that if he/she drops out of the league, they are responsible for paying \$35 for each week they miss in the league schedule. If someone fails to pay these costs, prosecution will occur and information will be processed to the USBC to revoke membership and suspend bowler from future USBC competition.
